## Cycle Route Grading

**Is this for you?** Find the right **single track** grade for your abilities

Mountain biking is a potentially hazardous activity carrying a significant risk.

**Green: Easy**

Suitable for:  
Beginners in good health with basic bike skills. Most types of bike.

Trail:  
Relatively flat & wide.

**Blue: Moderate**

Suitable for:  
Riders in good health with basic off-road riding skills. Basic mountain bikes.

Trail:  
Some "single-track" sections & small obstacles of root & rock.

**Red: Difficult**

Suitable for:  
Proficient mountain bikers with good off-road riding skills & fitness. Good mountain bikes.

Trail:  
Challenging. Climbs, tricky descents & technical features such as drop-offs & large rocks.

**Black: Severe**

Suitable for:  
Expert mountain bikers with high level of fitness. Quality off-road mountain bikes.

Trail:  
Greater challenge & difficulty. Expect large & unavoidable features.

**Forest road and similar**

Suitable for:  
Cyclists in good health. Map reading useful (routes not always marked.) Most bikes.

Trail:  
Gradients can vary. Surfaces may be uneven or potholed in places. Look out for vehicles & other users.

**Extreme**

Suitable for:  
Extreme level riders with expert technical skills & good fitness. Technical bike skills important. Jumping ability obligatory.

Trail:  
Extreme levels of exposure & risk, large features.

## Forest roads and bike parks

**Is this for you?** Find the right **non-single track** grade for you

Always follow the **Forest Cycle Code**

1. Don't rely on others;  

- can you get home safely?
- carry the right equipment and know how to use it.

2. For your own safety;  

- always wear the right safety clothing, at least a cycle helmet and gloves;
- only cycle within your abilities;
- only tackle jumps and other challenges if you are sure you can do them, have a look first!
- train properly especially for difficult and technical routes.

3. On and off road;  

- expect the unexpected - watch out for other visitors;
- for your own and others' safety always follow warning signs and any advice you are given;
- if a vehicle is loading timber Stop and wait for the driver to let you pass safely.

4. Cycle carefully and please come back soon!

### Enjoy Scotland's outdoors responsibly

## Trail information

### Broomstick Blue

Trail grade: Blue  
Trail length: 7km / 4.3 miles  
Trail symbol on the maps: ● ● ●

Bubbling around the River Lundy – a great trail to start. Plenty of flowing single track. This is the witch's friendly side!

### 10 under the Ben

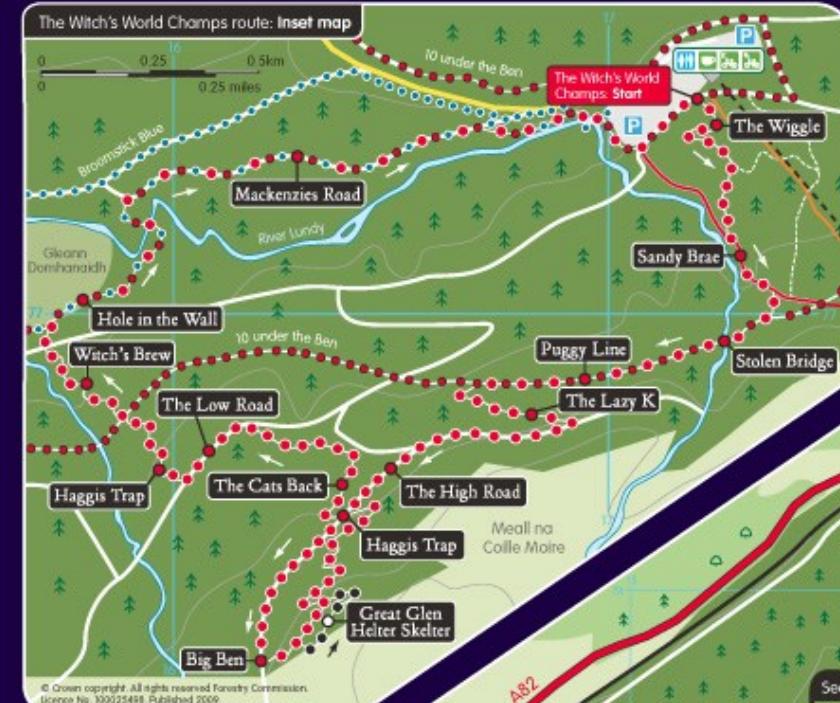

Trail grade: Red  
Trail length: 10km / 6.2 miles  
Trail symbol on the maps: ● ● ●

Based on the popular '10 under the Ben' Event, this route is a mix of dedicated single track and forest road not forgetting Nessie, a real black monster of a descent!

### The Witch's World Champs

Trail grade: Red  
Trail length: 8.5km / 5.2 miles  
Trail symbol on the maps: ● ● ●

World Class single track specially devised for the 2007 World Championships held in Leanachan Forest. The loop includes 270m of climb and descent. Watch out for some technical features and hard climbs as well as exhilarating descents on fast single track.

## Gondola accessed Trail information

Riders of both these trails must have a gondola bike ticket, have read and understood the Nevis Range Code of Conduct and signed a 'Participation Statement', all available from the Nevis Range ticket office. They are suitable for active people used to prolonged effort. **It is essential that you wear a helmet and full protection.**

### The Nevis Red route

Trail grade: Red  
Trail length: 5.5km / 3.4 miles  
Trail shown on the map:

Start altitude: 655m. Finish altitude: 100m. Vertical drop: 555m  
The only red cross country trail with gondola access, remote with exposed open hill sections and stunning mountain views. It's a classic single track mountain bike route with boardwalk, bedrock and gravel trail. It's a challenging descent with plenty of technical sections, expect berms, large rocks, medium steps, drop-offs, steep sections and technical rock sections.

### Off Beat downhill

Trail grade: Orange - Extreme  
Trail length: 2.82km / 1.75 miles  
Trail shown on the map:

Start altitude: 643m. Finish altitude: 100m. Vertical drop: 543m  
This is Britain's only official UCI World Cup downhill bike track, steep, rugged and tough. It's mostly wide single track with timber boardwalk, bedrock, gravel trail and rock gardens. With large committing and unavoidable technical trail features, expect berms, rock steps, drops, jumps and gap jumps. If it can be ridden, you will find it here. **It is essential that you wear a full face helmet.**

### Bike Hire

Bike hire is available during the summer months. For further information on local bike hire, including full kit & ride packages please contact Nevis Range.

### Nevis Bike School

The Bike School will offer both guided rides on the Downhill Track, Red Route and Cross Country trails as well as coaching sessions at all levels.

### Gondola Opening Times

Mid-May to mid-September,  
10.15am – 3.45pm for bike uplift.  
This excludes some event and race days, and when it is very wet or windy.
